

**Matthew Chung, MD**

Mathew Chung, MD is a physician at The University of Texas MD Anderson Cancer Center in Houston, TX. He is board certified in Neurology by the American Board of Psychiatry and Neurology. Dr. Chung obtained his medical degree from the University of South Carolina School of Medicine and completed his residency training at the University of South Florida. He is currently a Fellow in the Department of Pain Medicine at the University of Texas MD Anderson Cancer Center. He has written multiple book chapters and manuscripts regarding the use of cannabis for cancer and cancer pain. His interests reside in finding a greater understanding and applicability of cannabis and cannabinoids within the chronic non-malignant and cancer pain population for improved quality of life.
