

**Sharon Levy, MD MPH**

Dr. Levy, a board certified Developmental-Behavioral Pediatrician, is Director of the Adolescent Substance Use and Addiction Program at Boston Children's Hospital and an Associate Professor of Pediatrics at Harvard Medical School. She is a leader in her field, having served as chair of the American Academy of Pediatrics Committee on Substance Abuse, regularly advising state and local agencies, and currently serving as President of the Association for Medical Education and Research in Substance Abuse. She co-leads multiple investigations with Dr. Weitzman including around adolescent substance use.
